TERMS OF SALE

1. This is an unrestricted auction and mail bid sale conducted by Jess Peters, Inc.
2. All material shall be sold to the highest bidder. If any dispute arises during or immediately after the sale of a lot, the Auctioneer shall have the right to recall the lot and put it up for sale again. In all cases Auctioneer's decision shall be final. **For the bidder's protection, no "unlimited" or "buy" bids will be accepted.**
3. A **BUYER'S CHARGE** of 5% on each individual lot will be added to all purchases made by all bidders and will be 5% of the total amount of the final bid. **THIS BUYER'S CHARGE WILL BE ADDED TO ALL INVOICES.**
4. Auction sales are strictly cash in U.S. funds payable through a bank in the United States. **Lots must be paid for promptly.** No credit card purchases will be accepted. Bids cannot be accepted from those persons under eighteen (18) years of age without a parent's written consent who acknowledges the terms and conditions of sale herein.
5. By bidding in this sale, bidder personally guarantees payment; and if a corporation is bidder, the officers and/or principals of the corporation agree to personally guarantee payment.
6. Floor bidders and mail bidders who have not established credit with Jess Peters, Inc. must furnish satisfactory credit references or deposit twenty-five percent (25%) of their total bids for that session(s) before such bids can be accepted. Deposits submitted will be applied to purchases and any unused portion of such deposit will be promptly refunded.
7. Bids must be for an entire lot. No lot will be broken up. Lots will be sold in their numbered sequence unless Auctioneer directs otherwise.
8. This is not an approval sale. Bidders are expected to keep and promptly pay for all lots for which they are the highest bidder as determined by Auctioneer. Floor bidders are encouraged to carefully examine all lots in which they are interested in purchasing since **no lot purchased by floor buyer may be returned, including those lots where the bidder is acting as agent for another, or to mail bidders who have examined the lot.** In no event may any lot be returned after thirty (30) days from the date of sale. Questions regarding the minting of a coin as a Proof or as a business strike relate to the method of manufacture and not to authenticity. If a lot is to be returned it must be housed in its original, completely intact, sealed holder. Late remittance constitutes just cause for revocation of all return privileges for any reason.
9. All items offered in this catalogue are guaranteed to be genuine. Claims to the contrary must be made in writing within three (3) days after receipt of material. No lot may be returned without prior written consent.
10. Auctioneer reserves the right to open the lot at a reasonable price and to withdraw any lot.
11. When identical bids are received by Auctioneer for a lot, preference is given to the first bid received. A mail bid will take precedence over an identical floor bid; a floor bidder must bid higher than the highest mail bid to be awarded any lot. Auctioneer reserves the right to refuse any bids at his sole discretion.
12. Auctioneer cannot be responsible for errors in bidding. Please make certain that you bid on the correct lot and that your bid is the maximum (plus the applicable Buyers Charge) that you are willing and able to pay.
13. Successful mail bidders will be awarded the lot at a nominal advance over the next highest mail or floor bid. The correct buyer's fee, postage, insurance and sales tax, if required by law to be collected, will be added to the invoice for any lot(s) that is invoiced to successful bidders.
14. All lots delivered in the State of Illinois are subject to 5% sales tax. All lots delivered at the Sale are subject to California State Sales Tax. When it is applicable, the final price will be subject to local sales tax. Individuals purchasing lots for resale must submit an exemption certificate signed by the purchaser or his agent and recognized by the State of Illinois, or the State of California, with their current resale certificate or number, or be subject to the local tax.
15. Title to any lot remains with **consignor** until the lot is paid for in full. Jess Peters, Inc. reserves the right to require payment in full before delivering any lot to the successful bidder. It is the buyer's responsibility and obligation to have the lots fully insured while in his/her possession. Risk of loss is on the buyer.
16. In the event a bidder fails to make remittance promptly, Auctioneer reserves the right to resell the merchandise and bidder agrees to pay for the reasonable cost of such a sale and also to pay any difference between the resale price and the previously successful bid.
17. If the invoice for the auction is not paid for in full when due, the unpaid balance will bear interest at the highest rate permitted by law until it is paid. If the matter is referred to an attorney for collection, bidder agrees to pay all attorney fees, court costs and other collection costs incurred by Jess Peters, Inc. The courts of Macon County, Illinois shall have exclusive jurisdiction and venue over any suit initiated by Jess Peters, Inc. to collect past due invoices and that the service of process by certified/registered mail, return receipt requested, shall be sufficient to confer "in personam" jurisdiction over bidder. The laws of the State of Illinois shall apply to any dispute.
18. Except for any claim or controversy arising out of non-payment (which, at the exclusive option of the seller or auctioneer may be referred to arbitration), any claim or controversy arising out of this sale shall be settled exclusively by binding arbitration under the rules of the Professional Numismatists Guild, Inc., then in effect. By bidding in this sale, you agree to be bound by the arbitration provisions of the Professional Numismatists Guild. In all cases, the maximum liability of Jess Peters, Inc. for any item sold shall be limited to the official published Price Realized of the item at this sale.
19. All photographs in this catalogue are of the actual coins or currency being sold.
20. Auctioneer reserves the right to postpone the sale by auction of the property for a reasonable period of time as the result of any act of war, natural calamity or significant relevant event which, in the judgement of Auctioneer, reasonably exercised, makes it inadvisable to hold the auction as scheduled.
21. Our ultimate liability for any item is the price paid.
22. **BIDDING IN THIS SALE CONSTITUTES ACCEPTANCE BY THE BIDDER OF ALL THE FOREGOING TERMS AND CONDITIONS OF SALE.**

Grading is an art and not a science. The grades herein represent our opinion based on our experience. Therefore, it is possible that two people will not always grade the same item alike. Also, as market conditions change, grading standards change, and may continue to do so in the future. Your examination of the item(s) should be the criterion and not the grade represented by another. In any purchase or sale, the value of the item(s) is determined by the price.

INSTRUCTIONS FOR NEW MAIL BIDDERS

If you have never used a mail bid system, here is an explanation. The procedure is quite simple. On the Mail Bid Form there is space provided for the lot number and the amount you are willing to bid. After carefully reading the description of the lot you wish to bid on, write down the lot number and the maximum amount you are willing to pay. For example, let us assume you are interested in bidding on Lot 1 and the maximum amount you are willing to bid is \$2000. Your bid sheet should show a "1" under the word, "Lot", and a \$2000 under the word "Bid".

The bid which you enter is the "maximum amount" or top price that you are willing to pay for a lot **not including** the Buyers Charge (unless you have checked one of the percentage increase boxes). However, there is always the possibility that you may obtain the lot for less. As indicated in our "Terms of Sale", we act as your agent and execute your bids as if you were at the auction in person. We will buy the lot for you as inexpensively as possible at a price slightly more than the next highest bid. For example, if your bid for Lot 109 is \$600 and the next highest bid is only \$500, the lot would be awarded to you for \$525, or a nominal 5-10% increase over the next highest bid. **A BUYER'S CHARGE WILL BE ADDED TO EACH INDIVIDUAL LOT SOLD.**

Before entering your bids, please read carefully our "**TERMS OF SALE**". Bidding by mail permits you to participate in the auction as though you were there in person. Many rarities are obtained through the medium of auctions and it can be a very exciting as well as rewarding method of obtaining wonderful items for your collection. We look forward to your participation in our sales.
